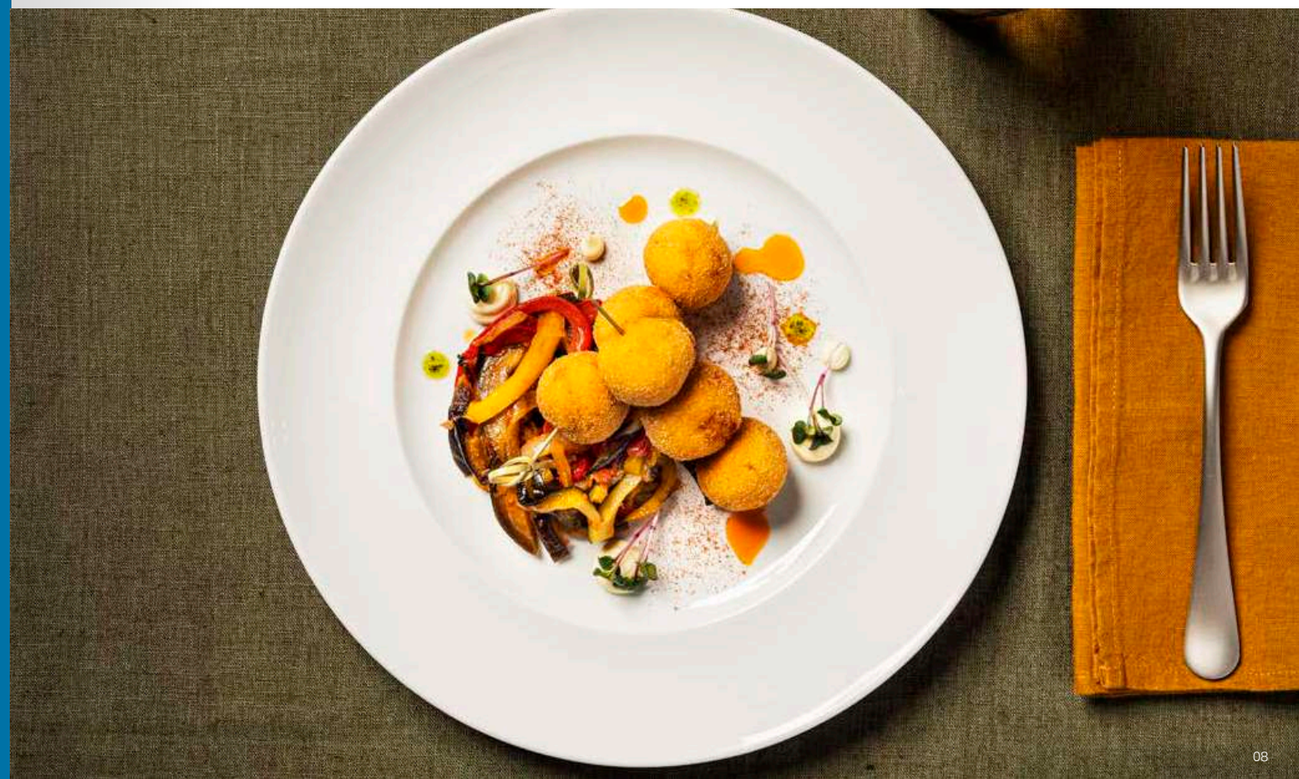
A NEW **FOOD EXPERIENCE.**

A NEW **«STARRY» FOOD STORY.**

Discovering new cultures includes discovering new flavors: for this all-round exploration of the world through taste we have sourced the best guides and **Experts with a capital E.**

We have recruited three of the best chefs in the world, with a total of **16** career **Michelin stars** between them: **the Italian, 7 career starred BRUNO BARBIERI, French, 5 Michelin starred HÉLÈNE DARROZE** and **Spanish, 4 Michelin starred ÁNGEL LEÓN.** We gave them a clear mission: travel to our destinations, discover authentic local recipes, then use their expert knowledge to create Costa-exclusive interpretations of those dishes.

They travelled, talked to local chefs, visited hidden markets, collected authentic ingredients, and got to know local farmers and producers to discover the true scents and flavors of our destinations, returning from their **culinary world tour** with an entire collection of experiences, ingredients, secrets, flavours and techniques. Their journey formed the basis of new recipes and dishes which they now share exclusively with Costa guests.



THE WORLD SEEN THROUGH THE EYES OF **THREE STARRED CHEFS.**

ONLY WITH COSTA

This is the story told by the **DESTINATION DISH**, the way we bring to our ships all the flavors of the place **you'll be visiting the following day**. The Destination Dish, you can order included in the price, are created by the 3 best chefs in the world.

They travelled, talked to local chefs, visited hidden markets, collected authentic ingredients, and got to know local farmers and producers to discover the true scents and flavors of our destinations, returning from their **culinary world tour** with an entire collection of experiences, ingredients, secrets, flavours and techniques. Their journey formed the basis of new recipes and dishes which they now share exclusively with Costa guests.

The ARCHIPELAGO RESTAURANT.

ONLY WITH COSTA

Discover 3 chefs in a real journey of taste:

- You can choose from **3 menus**, each with **5 refined dishes**, designed by one of the **three starred chefs**, combined with an offer of drinks, which will tell you about that part of the sea you are exploring.
- All this in an **inspiring and innovative restaurant**, with custom-isable "island" tables which allow you to enjoy a flexible and intimate dining experience.
- And for every dinner you enjoy, **we'll donate part of the proceeds** to a project run by **Costa Crociere Foundation**, with environmental education programs to protect the marine environment, recovering **timber** from the sea and **re-purposing** it creatively **in our restaurant**, as a precious piece of furniture.

THE ARCHIPELAGO'S **WEST MEDITERRANEAN DISHES.**

BRUNO BARBIERI
TELLS HIS
WESTERN MEDITERRANEAN STORY

"A journey through the flavors of my land, enriched by the stories of those who work tirelessly to create incredible raw ingredients and pass on extraordinary recipes and dishes. Courgettes in scapece, pasta al torchio, lamb chops meet pecorino, truffles, balsamic vinegar and aromatic herbs tell a story that has its roots in the past while looking to the future."

THE ARCHIPELAGO'S **WEST MEDITERRANEAN DISHES.**

Hélène Darroze

TELLS HER
WESTERN MEDITERRANEAN STORY

“ In the Mediterranean, everything starts with the ingredients. Their origin, their seasonality, freshness, quality, peculiarities and their history. Then there is curiosity, the desire to explore the world in search of flavours to experiment with. Thus mushrooms meet the Passito di Pantelleria, the Piquillo pepper encounters ginger and Armagnac embraces black pepper. ”

Ángel León
